# SILVANUS

Silvanus, it has been 12 months in 80% new French oak.

It was sourced from dry-farmed estate vineyards ranging in age from 40 to 80 years. It sports an inviting nose of pain grille, pencil lead, scorched earth, violets, and black cherry.

More structured than the preceding wines, this dense effort has layered fruit, excellent volume, terrific concentration, and at least 4-6 years of aging potential. Drink this loaded effort from 2015 to 2026.
